PATRON'S MESSAGE

As Patron of the South Suburban National Murray Football League I am again pleased to have been given this opportunity to express my appreciation of the wonderful work done by the League's administration.

I would also like to take this opportunity of congratulating the League President, Mr. Reg Blackburn on receiving the British Empire Medal from the Queen for his services to sport.

This year has been one of the best rounds of League Football in the South Suburban for many years. Whilst there have been some disappointments with some of the clubs, in the main, the standard has been very high and this of course augurs well for the 1978 football season. Further, I would like to

congratulate the umpires on the part they played throughout this year's football season. Whilst it is difficult to always agree with the umpires, I feel too that their standard was very high.

In conclusion, may I take this opportunity to wish both the Maddington and Gosnells football teams every success in the Grand Final. May the best team win.

President's Message

Today's games bring us to the end of another season, one which I feel has shown how strong our competition is. The combined league side completely outplayed a country league side from South Australia and the combined Seconds team easily defeated a team from the Combined Services. Congratulations to all players, coaches, selectors and trainers.

This season we have seen a strengthening of some of the so-called weaker clubs and with this continuance of up-grading, our competition will be more even and a lot strong in the future.

I watch today's games with a certain amount of regret as they will be the last I see as an official of the league. I feel, after having given 23 years of service to football in our competitions, it is time for me to stand down and allow a younger person to carry on with the admini-

stration, consequently I shall not be nominating for any official position in the league next year.

I have, over the years, made many acquaintances and friendships which have lasted. I say a sincere thank you to all the past and present club officials and delegates I have had the pleasure to work with. I say a special thank you to our Secretary, Treasurer and Registrar for their untiring efforts and a job well done, particularly at the beginning of the season when we were short of league officials.

Finally, I say congratulations to all four teams playing today and trust you will play the game in the true spirit of "Aussie" rules, good luck and best wishes to all players and may the best teams win

R. BLACKBURN B.E.M.
PRESIDENT.

SECRETARY'S MESSAGE

Barring a draw in today's Grand we see the end of our playing season however, it is not the end of the season as far as the administration side goes. In last year's Grand Final Gazette I said that we had to start preparing for the 1977 season. I am pleased to say that all clubs without exception excelled in the way that their clubs were promoted. We saw a lot of new faces in our League teams this year, faces that belong to a lot of experienced players, this I am sure was noticed by our supporters.

The brand of football that was played this year was some of the best that has been seen in our league for some years.

I wish to congratulate all clubs for the way that they were represented at league level. We saw a new Constitution adopted this year, however there is room for improvement.

Unfortunately our Interstate Game was a "flop" but we gained a lot of experience, we will not make the same mistakes again.

Canning must be congratulated for the tremendous way in which they played the Preliminary Final. This team led by Ron Wilcox has produced the best team football seen this year. I can see a lot of changes coming up in the top teams next year.

I would like to congratulate all award winners in the way that they conducted themselves this year. Keep up the good work.

Finally I would like to thank all the league executive and league delegates for the help and support that they have given me during this past season. Top five in 78?

Did you know that 22 players were reported for alleged infringements of the Laws of our game this year. 16 of these players were found guilty.

In the 1976 season 37 players were reported.

Did you know that we are looking forward to the players not breaking any Laws next year.

Did you know that our President has stated that he is retiring at the end of our season. Reg has put in a lot of good years with our league however, he is still going to be around a lot longer yet. Reg says that he must give way to a younger man. All the Best for the future Mr. Reg Blackburn B.E.M.

Foreword

The South Suburban Murray Football League's season climaxes today with the Grand Final clash between Gosnells and Maddington.

The presences of these two sides in today's games confirms the positions of the final four at the end of the qualifying rounds.

Last Sunday's league game proved a real thriller in the final quarter and at times we had the possibility of a draw. However, Maddington's defense and final round experience kept Canning out and they ran out winners by just two points.

The seconds game again turned out to be a rather hard and torrid encounter with Maddington suffering the loss of too many players to the league side.

The Grand Final today brings two old rivals who have given their respective supporters many anxious moments in past clashes. Maddington over the past few years have shown their superiority, but today they will be going into this game as the "under-dogs". Gosnells who displayed some brilliant football throughout the season must go into this game as firm favourites.

The seconds Grand Final could be another close match in spite of the fact that Kenwick have gone through undefeated, they will find the Gosnells team a much improved side and very hard to beat. However, because of their record Kenwick must start firm favourites for the pennant.

MIGHTY ROYALS

Two weeks ago we played here in the second semi final. Why did we play in the second semi final? Because we are the top team and still undefeated for the year. All we have to do today is win, whether by 1 point or 10 goals, doesn't matter, we will not only be premiers, but champions. We are on top because of our tremendous supporters, coaches, players, everyone concerned in the running of the Kenwick Football Club. To the players selected to play today, **remember**, you are representing all these people. **THINK WIN.** Remember what John Riseley told us last time about many players never ever playing the grand final. **OK, SO THIS IS THE SEVENTH CONSECUTIVE YEAR THAT Kenwick seconds have played in the grand final.** Forget that for the moment. It's today's grand final that we want to win. We must play a little bit better than we have done throughout the season. We must listen and do whatever the coach wants us to do. We must win for everyone that we are representing today. Best of luck to all the players selected in the team.

Training over the last two weeks has been varied and most of the players should have their minds and reflexes sharper than ever before this season. We came from behind in the second semi final to get up and win by 15 points. It was a great effort by the players, especially the goal that Skeeta kicked (he won an award for it), the gutsy play of Laurie Winfield (won the Supporters Award), and the marking and ground play of Kevin Beale (won an Edna & Sonny Robins Award). These players set the standard in the second half and all our players rallied behind them. Other award winners for the game were Peter Hughes (a shirt from Mainardi & Co.), Darryl Ogg (another Edna & Sonny Robins Award), Brian O'Donnell (Mike Walker Award for the best back man) and Wayne Robins (Mennen Award).

Today is grand final day '77, so let's get out there, win our match, and go back to the club and celebrate. Best of luck to all the 80 players selected to play in today's games, especially our 20.

TALK OF BULL

Last Sunday saw a mixed result with our league earning the right to contest the Grand Final with the seconds having a disappointing end to the season. With both teams having a crop of injuries at the wrong time of the season. All supporters I'm sure extend their thanks to both Jim Di Carlo and the Reserve Team for the great efforts they have produced during the season. We hope all players can see their way clear to play with the club again next year.

The League team had a reversal of form and won a close hard fought struggle against Canning with the result being in doubt until the final siren had sounded. Players to stand out were Colin Walker - tireless display on the ball, Leon Henry - Tigerish on the win, Laurie Maggs - 6 goals at full forward, plus 17 other players. If this form continues plus the return of 2 or 3 injured players we will bring the 1977

premiership pennant back to the club for the 4th consecutive year "What about it fellas"?

Social Events: At this time we announce the club's highest award "The Best Clubman Award" which this year has been won by Dave Walker — Congratulations Dave.

THE HAWKS

Eleven years ago was the last time both the league and the seconds won the Grand Final. Can we make the record books again today. Both Darcy and Graham say we will.

Congratulations to the seconds on their win over Maddington last week. Over confidence was a major factor in Gosnells game which when coupled with bad kicking for goals made the game look closer than it really was.

When the chips were down the team character took over and in the last quarter Gosnells playing an inspiring game kept Maddington scoreless. We forged ahead to win by almost seven goals.

As underdogs for today's game Coach Graeme Dwyer feels we having nothing to lose and everything to gain. They want the flag and are going to jump from the starting blocks first, fight for four quarters on a do or die effort and give the league the inspiration to win the big one also.

Best players last week were Des Rice, who returned to his best form with a dazzling display at Centre Half Back. Mick Lane, another sound performance from this promising junior. Mick would be the most improved player this year and is assured of a bright football career.

Carl Palinkas — Carl's last quarter was a deciding factor to our side lifting itself to victory. We are looking to Carl today for another inspiring team effort.

Dale Chaplin - was another player that set the team alight in the last quarter.

Others deserving a mention were Murray Jones, Greg Devine and Brian Antunovich.

Today both sides are carrying the best wishes from all our supporters and officials who have asked for a Mighty Hawk effort.

GRAND FINAL AWARDS

The Fairest and Best player in today's Grand Final will receive the Thornton Chivers Medal donated by the Brighton Hotel Mandurah.

A special award has been donated by Melville Motors used cars of Cannington and a panel of Judges will cast votes for the Best Positional Player on the ground in today's big clash.

In the Reserves Grand Final the Fairest and Best player will receive the Telton Furnishers Perpetual Trophy donated by Mr. Richardson.

The successful league coach will be honoured with a trophy donated by Mr. Clive Griffiths M.L.C.

These trophies and other annual awards listed below will be presented at the end of season Presentation of League Trophies to be held at Gosnells Football Club on Wednesday 28th September, commencing at 7.00 p.m.
